Recent Trips:

Advancement Trip at Camp Addison Boyce

The advancement trip was in the rain. At that trip we welcomed new scouts into our troop. Some highlights are the trek to the top of the Timp and the advancements to scout rank.

Engineering Expo at Tappan Zee HS

The 2010 Engineering Expo at Tappan Zee High School had a number of activities to help Scouts learn about careers in Engineering. In addition, a number of scouts from Troop 78 were able to complete Engineering Merit Badge at the Expo.

Spring Cleanup

12 scouts showed up outside of Lowe's in Spring Valley and did their part to keep Rockland beautiful by picking up trash around the site, to the delight of many drivers who honked on the way by.

Biking & Rafting on the Lehigh River

Troop 78 returned to White Water Challenges on the Lehigh River. Part of the troop biked the 25 mile path along the river while an adventuresome crew battled the rapids by boat.

Humor (thanks to Boy's Life magazine):

A vulture boards an airplane carrying two dead raccoons. The flight attendant looks at him and says, "I'm sorry, sir, only one carrion per passenger."

Why do you cook bacon and bake cookies?

Why is dyslexic so difficult to spell?

Why is abbreviation such a long word?

Why do you park in a driveway and drive on a parkway?

If a convenience store is open 24 hours a day, seven days a week, why does it have a lock on the door?

Sad News:

The Haskell Family suffered a terrible tragedy in a car accident in New City. Clo Haskell passed away as a result of her injuries. Emma and Lewis are still recovering. Please keep them in your thoughts and prayers. If you would like to help, click the link on the troop website.

We also remember Frank Corbo who passed away recently.
